Att: Ms. Examiner;

Enclosed are the specifications including 13 pages of cross-outs, and 13 pages of clean copy. Included and added are detailed descriptions of the drawings which includes its proper heading, and a description of the preferred embodiment with its proper heading; and where new lines were added to fulfill those elements without adding new subject matter.

Also noticed that the art pages shown within the "PAIR" system had shown our personal names, addresses and phone numbers; and so submitted the exact same artwork listed as (new), but omitted our personal info from those ( 6 sheets ).

The abstract and revised claims are already shown within the "PAIR" system as being documented and received by you, and so we did not re-submit those.

We; Terry, Samuel, and Charles Wagenknecht have not added any new subject matter within these enclosed pages.
